

SURVEY TRANSCRIPTS

1st Survey

Me (Sloka):

Hello, my name is Sloka, and I am conducting a survey for my DTL project on the topic of Mental Health.

Me:

Do you ever feel lonely sometimes? When do you usually feel that way?

Akshara:

Yes, sometimes. I usually feel lonely when I spend too much time by myself or when my friends are busy.

Me:

What situations or things in your life make you feel stressed or emotionally low?

Akshara:

Academic pressure, deadlines, and worrying about my future often make me feel stressed.

Me:

Do you feel comfortable sharing your problems with someone? Who do you usually talk to?

Akshara:

Yes, but only with people I trust. I usually talk to my best friend.

Me:

Does social media ever affect how you feel about yourself or your life?

Akshara:

Sometimes. Seeing other people's achievements can make me compare myself to them.

Me:

When you feel sad or overwhelmed, what do you usually do to feel better?

Akshara:

I listen to music, watch videos, or take some time to relax.

Me:

Do you feel supported by your friends or family when you are going through a difficult time?

Akshara:

Yes, my family and close friends are very supportive.

Me:

What do you think helps you the most when you are feeling lonely?

Akshara:

Talking to someone I trust and staying busy with hobbies helps me.

Me:

What advice would you give to someone your age who is feeling lonely or depressed?

Akshara:

Don't isolate yourself. Try to talk to someone and seek support when needed.

Me:

What situations usually make you feel lonely?

Akshara:

Being left out of activities or spending long periods alone.

Me:

Thank you.
