

ANAND :

1. Do you ever feel lonely sometimes? When do you usually feel that way?
Yes, sometimes I feel lonely when I spend too much time alone or when I feel like people don't really understand me. It usually happens when I'm overthinking things.

2. What situations or things in your life make you feel stressed or emotionally low?
School pressure, exams, and expectations from others can make me feel stressed. I also feel low when I compare myself with others.

3. Do you feel comfortable sharing your problems with someone? Who do you usually talk to?
I usually find it difficult to open up to people. But sometimes I talk to one close friend or a family member I trust.

4. Does social media ever affect how you feel about yourself or your life?
Yes, sometimes it does. Seeing others post about their achievements or fun moments makes me feel like my life is not as interesting.

5. When you feel sad or overwhelmed, what do you usually do to feel better?
I usually listen to music, watch something relaxing, or spend time alone. Sometimes writing down my thoughts also helps me feel better.

6. Do you feel supported by your friends or family when you're going through a difficult time?
My family and close friends are supportive. However, I don't always share everything with them.

7. What do you think helps you the most when you are feeling lonely or down?
Doing something creative like drawing, writing, or listening to music helps me calm down. It gives me some time to clear my mind.

8. What advice would you give to someone your age who is feeling lonely or depressed?
I would tell them that it's okay to feel this way sometimes. Talking to someone you trust can really help.

9. What situations usually make you feel lonely?
I feel lonely when I feel left out in group situations. It also happens when I feel like no one understands what I'm going through.

GAUTAM :

1. Do you ever feel lonely sometimes? When do you usually feel that way?
Yes, I feel lonely when I don't have people around me to talk to or spend time with. It usually happens when my friends are busy.

2. What situations or things in your life make you feel stressed or emotionally low?
Arguments with friends, academic pressure, or feeling excluded from activities can

make me feel stressed or upset.

3. Do you feel comfortable sharing your problems with someone? Who do you usually talk to?

Yes, I usually talk to my close friends first. Sometimes I also share my problems with my parents.

4. Does social media ever affect how you feel about yourself or your life?

Sometimes it does. When I see others hanging out without me, it can make me feel a bit left out.

5. When you feel sad or overwhelmed, what do you usually do to feel better?

I usually talk to my friends or go out and do something fun. Being around people helps improve my mood.

6. Do you feel supported by your friends or family when you're going through a difficult time?

Yes, my friends and family are usually very supportive. They try to cheer me up and listen to me.

7. What do you think helps you the most when you are feeling lonely or down?

Spending time with friends or talking about my feelings helps the most. Social interaction usually makes me feel better.

8. What advice would you give to someone your age who is feeling lonely or depressed?

I would tell them not to keep everything inside. Reaching out to friends or family can really help.

9. What situations usually make you feel lonely?

I usually feel lonely when I'm alone for a long time. I also feel that way when I feel excluded from a group.

Vikyath :

1. Do you ever feel lonely sometimes? When do you usually feel that way?

Yes, sometimes I feel lonely when I feel disconnected from people around me. It usually happens when I feel misunderstood.

2. What situations or things in your life make you feel stressed or emotionally low?

Academic pressure, future worries, and misunderstandings with friends sometimes make me feel stressed or emotionally low.

3. Do you feel comfortable sharing your problems with someone? Who do you usually talk to?

It depends on the situation. Sometimes I talk to close friends, and other times I prefer handling things on my own.

4. Does social media ever affect how you feel about yourself or your life?

Yes, sometimes it makes me compare my life with others. That can occasionally make me feel a bit insecure.

5. When you feel sad or overwhelmed, what do you usually do to feel better?

Sometimes I spend time alone doing something I enjoy. Other times I talk to someone I trust.

6. Do you feel supported by your friends or family when you're going through a difficult time?

Yes, they are supportive when I open up about my problems. But I don't always share everything with them.

7. What do you think helps you the most when you are feeling lonely or down?

Talking to someone close and taking some personal time both help me feel better.

8. What advice would you give to someone your age who is feeling lonely or depressed?

I would tell them that they are not alone and that asking for help is completely okay.

9. What situations usually make you feel lonely?

I feel lonely when I feel misunderstood or when I don't feel connected with people around me.
